

Again

Buddy Hyatt

Verse 1:

Lord , I come to you, and I bend my knee,
And I'm asking for forgiveness, again.
Lord, I don't deserve your love, and I don't deserve your mercy,
But I'm thankful for it all, again.

Chorus:

I lift up my hands, and I call on your name.
I know your here though I can't see your face.
Still I worship you and repent of my sin.
Your love is all I need to be healed, again.

Verse 2:

Lord, I know that I'm child, but I don't always do what's right,
And I'm asking for forgiveness, again.
I know it breaks your heart when you and I drift apart,
But I'm thankful I can come to you, again.

Chorus:
