

Color of Glory

Leah Faith and David Rivers

Verse 1:

I am covered in shades of blue.
Fighting shadows, I can't break through.
At the bottom of a hole so black, up's the only point of view.
Now this stone grey heart turned anew.

Chorus:

Shine. Shine.
See the color of glory, Shine before me,
Shine.
Everlasting Light, shine.

Verse 2:

I can't imagine the life he led.
He was covered with no regret.
He wore a crown of thorns the world placed upon his head.
I see His glory in shades of red.

Chorus:

Shine. Shine.
See the color of glory, Shine before me,
Shine.
Everlasting Light, shine.

Bridge:

The loudest colors shout so bright
As orange and yellow fill my site.
They exclaim, "Here comes the King,"
And I'm clothed in robes of white.

Chorus:

Shine. Shine.
See the color of glory, Shine before me,
Shine.
Everlasting Light, shine.
