

Faithful and True

Leah Faith

Verse 1:

Walking in the wilderness all the sins I must confess,

Can't see to take a step.

But even in this dark place,

You shine your light through your grace.

Your radiance lights my way.

Your radiance lights my way, my way.

Chorus:

You are everything I'm not.

You are faithful and true,

Faithful and true.

Just when I want to walk away,

You are faithful and true,

Faithful and true.

You are...my God...Oh Oh Oh

Verse 2:

Like a hurricane tossed by the wind and rain,

Devastated but not alone.

These roots are planted,

And I'm still standing.

I'm not going to move.

I'm not going to move.
