

Through God's Eyes

David Rivers, Kathy Ashworth, and Gracie Vandiver

Verse 1:

What if fear never saw the light of day. Hesitation never stood in the way
Giving up was not a choice. Self doubt never raised its voice
There was no power afraid when you let go and just hold onto faith.

Chorus:

We're free to fall. Free to fly. Not free at all if we don't try
Never dare to compromise. If we could see ourselves
Through God's eyes
Through God's Eyes

Verse 2:

What if every prayer you never said was heard and wishes made into words.
Dreams abandoned in the dark find a long forgotten spark.
Something in your heart begins to stir. Finding wings like a bird

Chorus:

Bridge:

When my time here is done, and I'm looking from another point of view.
Can I say I lived my life like I was put on earth to do.

Chorus:
